

APPRENTICE BUCKET: GABRIELLA VO, ROUND 2

EXT. AN ORDER BATTLEGROUND - DAY

GABRIELLA stands among a bunch of training dummies. They all have Max's face and have been chewed up pretty badly. Gabriella stands beside them, looking authoritative.

GABRIELLA  
So, you think you have what it  
takes to be an Order Academy  
apprentice, do you?

CLOSE ON ZOEY AND FEEBEE looking eager and smiling.

GABRIELLA (O.S.) (CONT'D)  
Well. Isn't that nice.

CLOSE ON ZOEY AND FEEBEE as their faces fall.

ZOEY  
Uh oh....

ANOTHER ANGLE Zoey and Feebee stand on the battleground alone. There is a gate nearby.

GABRIELLA (O.S.)  
I bet you think it's all books and  
training dummies.

A gate starts shaking and RUMBLING. ENEMIES are beating down the door. Zoey looks small in front of it.

GABRIELLA (O.S.) (CONT'D)  
But no, you'll get plenty of...  
"hands on" experience.

ZOEY  
(worried)  
Oh boy...

The gate BURSTS open and MINIONS and BOSSES flood out. BULGOD, DREAD, and GRENWALDE are among them.

GABRIELLA (O.S.)  
You'll be fighting minions and  
bosses... Lots of them. Like  
Bulgod, Dread, and... Whatever that  
is.  
(to Zoey, angrily)  
Get to it, Zoey! Faster this time  
or no stars!

ZOEY  
I'm trying! Jeez!

BACK TO Gabriella, now lounging in a chair, sunning herself.

GABRIELLA  
And if you get strong enough,  
you'll become a War Mage!

BACK TO Zoey as she gets stomped by a boss.

GABRIELLA (O.S.) (CONT'D)  
Yeah, good luck with that!

SMASH TO:

OMD!U LOGO

GABRIELLA (V.O.)  
(to Zoey, angrily)  
All right, one more time. Faster!  
More gibs! And no lip!

ZOEY (V.O.)  
(sighing)  
Yes, Mistress.

FADE OUT.
