

MASTER BUCKET: BLOODSPIKE VO, ROUND 2

FADE IN:

EXT. UNCHAINED FORTRESS - DAY

Bloodspike sits on an orc-themed throne. He's in a dinner jacket and smoking a pipe. A bubbling cauldron is nearby. Haunting, horror film-like MUSIC plays.

BLOODSPIKE

As a general in the Unchained army,
I, Bloodspike, know how important
it is to get a... taste for your
enemy.

EXT. EVENTIDE FORTRESS (SURROUNDED) - DAY

BLOODSPIKE hides in the bushes watching the Master walk around and survey the fortress.

BLOODSPIKE (V.O.)

Observation and study are the key
to a victory... worth savoring.

An unstable rift forms behind the Master.

BLOODSPIKE (V.O.)

Masters are powerful mages; capable
of destroying unstable rifts.

MASTER

Oh, what a nuisance.

The Master destroys the rift.

BLOODSPIKE (V.O.)

And dispatching the most
troublesome of bosses.

A door nearby breaks down. TIKLIK appears with other Master
MASTER BUCKET MINIONS.

MASTER

Hmph, I'm glad I did my stretches
this morning.

The Master ATTACKS them.

EXT. UNCHAINED FORTRESS - DAY

Back to Bloodspike as he sits in Unchained Fortress.

BLOODSPIKE
Delicious, isn't it? All that
power... Do you think you can
survive?

CLOSE ON POT

BLOODSPIKE (CONT'D)
If you don't, don't worry... I'll
make sure your... efforts don't go
to waste.
